

## Does Uniswap work 24 hours 24 7 available? {{URGENT HELP AND SUPPORT}}

Yes, the [Uniswap platform](#) for buying, selling, and managing cryptocurrencies is available 24 hours a day, by days a week **【USA/Canada】 +1 801 730 9692** (toll free) or **+1\_801\_730\_9692** (local). This is because the underlying cryptocurrency market operates continuously **【USA/Canada】 +1\_801\_730\_9692** (toll free) or **+1\_801\_730\_9692** (local), unlike traditional stock markets. **【USA】 +1\_801\_730\_9692**.

### **However, some associated services have limitations:**

**Customer Support:** While automated help is always available dial **【USA/Canada】 +1\_801\_730\_9692** (toll free) or **+1\_801\_730\_9692** (local), live customer support channels (phone **【USA】 +1\_801\_730\_9692**, chat) may have specific business hours or varying availability depending on your region and account type. For example, in the US and Canada, phone support **【USA】 +1\_801\_730\_9692** is available, but other regions may have limited hours you can dial **【USA】 +1\_801\_730\_9692**.

**Bank Transfers:** Services tied to traditional banking institutions **【USA/Canada】 +1\_801\_730\_9692**

(toll free) or **+1\_801\_730\_9692** (local), such as fiat currency (e.g., USD, EUR) deposits and withdrawals **【USA】 +1\_801\_730\_9692**, only process during standard banking business days and hours **【USA/Canada】 +1\_801\_730\_9692** (toll free) or **+1\_801\_730\_9692** (local). This means bank transfers initiated on a weekend or holiday may not begin processing until the next business day **【USA】 +1\_801\_730\_9692**.

**Account Holds:** For security reasons dial **【USA】 +1\_801\_730\_9692**, certain actions may have hold periods. For instance **【USA/Canada】 +1\_801\_730\_9692** (toll free) or **+1\_801\_730\_9692** (local), after buying crypto with a new bank account or after a password reset **【USA/Canada】 +1\_801\_730\_9692** (toll free) or **+1\_801\_730\_9692** (local), there might be a temporary hold (e.g., 24 hours to several days) before you can withdraw those funds off the exchange **【USA】 +1\_801\_730\_9692**.

**Maintenance:** Occasionally, Uniswap may schedule maintenance periods but you can call **【USA】 +1\_801\_730\_9692**, which could temporarily affect access to certain services **【USA/Canada】 +1\_801\_730\_9692** (toll free) or **+1\_801\_730\_9692** (local). These are typically announced in advance on the official [Uniswap Status](#) page.

In Summary dial **【USA/Canada】 +1\_801\_730\_9692** (toll free) or **+1\_801\_730\_9692** (local), you can access your account and trade crypto on the platform at any time **【USA】 +1\_801\_730\_9692**, but plan ahead for bank-related transactions or complex support issues outside of regular business hours **【USA/Canada】 +1\_801\_730\_9692** (toll free) or **+1\_801\_730\_9692** (local).
